

The Division of Health Psychology

COGNITIVE BEHAVIOURAL TECHNIQUES AND CHRONIC PAIN WORKSHOP

What? Chronic pain is a major problem, affecting some 13% of the Irish population according to a recent European prevalence study.

This workshop (which will be run by Dr Brian McGuire BA, MClinPsych, Dip Crim, DipHealthSc, PhD (Psychology), Reg. Psychol, AFPsSI, C.Psychol, AFBPsS, of the Department of Psychology, NUI Galway) will introduce participants to the use of psychological approaches for the management of chronic benign pain.

Where? The workshop will be held in the Psychology Department at the National University of Ireland, Galway

When? The workshop will take place on Thursday, January 25th
from 11am – 4pm

Attendance fees:

€55 for Graduate members of the Division of Health Psychology

€40 for students and Affiliate members of the Division

€60 for non-members of the Division of Health Psychology

(fees include attendance, workshop materials, and a light lunch)

Places are strictly limited to 20 applicants

Registration forms may be downloaded at the Psychological Society of Ireland's website (events section):
